It makes every humanitarian sad to see invalids seek such relief as is given them by the use of bitters, kidney medicines, and other nostrums. CRY FOR HELP ANSWERED DR. HAINES' GOLDEN SPECIFIC

To the Wives, Mothers, and Sisters of Drinking Men:-

es in your own hands to save the husband, son, or brother from the awful disease of nuess. The Golden Specific can be administered without the knowledge of the By simply placing it in coffee, ica, or in articles of food or drink, its acc will not be detected either by faste or smell, and after a few days TAKING A DRINK OF LIQUOR IS A PHYSICAL IMPOSSIBILITY. Drunkenness is a **disease**, not a weakness. Primarily the appetite for alcoholic drinks as the cultivated; but when the appetite is once formed, it is as much a disease as any other dicine is administered. Every nerve, tissue an a famished wolf with a million mouths gnawing upon the ussue and pore of the body is but a famished wolf with a million mouths gnawing upon the system and craving for alcohol. Piedges, temperance lectures, "dreadful examples," prayers, resolutions—all are futile. Not one man in a thousand can withstand the battle; not because he has not the desire, but because he is physically weak. He could as easily abstain from eating food after a famine with a banquet at his hand, as to deny his hungry system in its awful craving for ilquor.

THE SPECIFIC AND LIQUOR CAN NOT EXIST IN THE SYSTEM TOGETHER. It would be amusing, were it not pitiful, to watch the man to whom the Specific has been given without his knowledge. At first, out of habit, and not realizing that the good work has begun, be pours out his drink. He swallows it and abselders. The next attempt, he raises the liquor to his lips, gets its odor in his nostrils, and sets the glass down, usually with the remark that "somehow, I am not whisky hungry." From this moment he is saved. No physical prostration, no "lim-jams," no ill-effects will appear—the man is no more a drunk-ard than the child who never knew the taste of liquor. The Cure is Permanent.

WIVES, MOTHERS, SISTERS,
Can you afford to neglect this means of saving the husband, son, or brother. As certain as
that you love and desire to save the erring one, so certain do we offer you the means to accomplish such a result. Instead of sitting hopelessly at home, praying for the help that does
not come; instead of putting one lota of trust in any system of pledges or reform,

COME TO THE RESCUE YOURSELVES.

You can administer this remedy quietly, easily, and without the patient's knowledge.

If never fails, and the cure is Rapid, Positive and Permanent.

In hundreds of cases where Dr. Haines has administered the remedy in his own practice, there were has been a failure. He fees that wrethedness, blighted homes, suffering wives and children, every instinct of humanity, demand that the widest publicity be given this greatest of all beneficial discoveries. It is sold at a price which will enable us to accomplish such a work, while not piscing the remedy beyond the reach of any one. The Specific is prepared in powdered form and put up in packages for mailing, or shipping by express. Especial care is taken that the contents can not be divulged to any but the party addressed, as there are many who are sensitive on this point; besides, to let its nature be known might frustrate the plans for its administration. One package will cure any ordinary case. Two packages will cure the most obstinate case. This is positively guaranteed, or money refunded. PHICES: the Package by Mail, post-paid, 31.00. Two Package and One Order, Address such and make All payable only to
